## A Note From Mrs. Pompilio

As we begin our year together please make sure that your child has a good breakfast each morning and comes to school ready to learn. We will begin each day with language arts "DAILY 5". After recess we will learn our math curriculum and after lunch time we will concentrate on science, art, music and PE. Unless schedules change we will have PE every Monday, Wednesday and Friday at 1:45 until the end of school. Please send your child with appropriate shoes on those days.

I hope to see you at Back to School night where I will provide more details on what to expect this year.
