## Discipline

I have noticed that I need to make many reminders to my class about being respectful and to listen to class rules. I will be strictly watching for behavior that is not appropriate and I will be reaching out to parents. This is not all students but enough students that I felt I needed to write this note in my newsletter. Please make sure you remind your child to make the right choices. Thank you.

## Jack & The Beanstalk

Over the break next week, please make sure that your child practices their part for the play. I will expect that all students will have their parts memorized by the day we return.

## President's Week

I hope that all families enjoy our week long break next week. Please make sure that your child reads everyday for at least 20 minutes.
