## Our Learning This Week

- Math lessons Unit 5 Lessons  
Use place value to compare
- Introduce long o vowel teams, "oa", "oe", "ow".
- Spelling test and dictation test, math quiz
- Writing - Why is it nice to donate to special causes?
- Science - The Spinning Earth - Why does daytime change to nighttime.
- Practice Jack & the Beanstalk

## Welcome Back

I hope that everyone had a wonderful break from school. I am so excited to see all your children today.

## Homework - Bottle Project

The first grade counting standard is to be able to count to 120. So, instead of celebrating 100s day we will be celebrating 120s day.

There is information in your child's folder about our 120 day bottle project. It will require you to use a standard disposable water bottle (16 oz approx.). There are directions on what the project entails, please let me know if you have any questions. The project will be due on March 8
