### Parent/Teacher Conference

Thank you for signing up for your parent/teacher conference. Remember this conference is just for parents and teacher. No students please. I will be discussing your child's progress in all aspects of first grade. I look forward to meeting with you.

### HALLOWEEN

We have two wonderful volunteers who will be putting together 4 celebrations throughout the year. They have some wonderful ideas for a "Science Halloween" party. In order for them to purchase supplies and prepare for the celebration it would be wonderful if parents could donate \$20. If you can bring cash to me I will forward to them. Anything that you can donate will help offset the costs.
