JOGATHON

Our BUBBLE RUN jogathon is coming up on October 13. Students will be running laps to raise money for our school. Please refer to the pledge forms and prize flyer for more information about the fundraiser. Any donations that you child can submit will be helpful to continue the wonderful programs and activities at LPSSA.

HALLOWEEN

We have two wonderful volunteers who will be putting together 4 celebrations throughout the year. They have some wonderful ideas for a "Science Halloween" party. In order for them to purchase supplies and prepare for the celebration it would be wonderful if parents could donate \$20. If you can bring cash to me I will forward to them. Anything that you can donate will help offset the costs.
